

Immigration Fixed Fees

Below is our fixed fees table with examples of our fixed fee structure. This is the same information used by our staff to cost work and at all times we will try to implement our starting prices. The fixed fee estimates set out here have been provided to give a range of likely fees for standard applications, as each case varies from the next. Once we have further information about your personal circumstances and specific case, we may be able to agree a fixed fee. Your fee estimate or fixed fee would be agreed prior to us formalising our engagement with you.
